## REMOTE LEARNING NURSERY wb 22 FEBRUARY 2021

Dear Parent/Carer

Thank you for your wonderful support with remote learning. Please see below for the tasks to be completed this week. **Please send us a photo each Friday of something you have done with your child - practising writing name/numbers, making a model, reading together etc.** Send to: [a.mcgrath@staugust.bham.sch.uk](mailto:a.mcgrath@staugust.bham.sch.uk) with your child's name in the **SUBJECT** box.

**If you have not already told us, please let us know if you do NOT have a laptop or PC.**  
**Education City**

If any Education City tasks are set, please login to Education City using the **USERNAME** and **PASSWORD** for your child. You will find these inside the cover of the **red Homework Diary**. Once you have logged in, click on the 'Classwork' section. In 'Classwork' there will be a folder with a date for the week eg 22/02/21. This will include the Education City activities for this week in one place. Children attending school may have completed these activities during the school day. If no special tasks have been set, you can explore the site to see the type of activities available.

Please encourage your child to practise their pencil control skills. In the packs, you will have found your child's name card to support the writing of their names. Please continue to use the number cards in the pack to practise counting. This can support the other home learning activities.

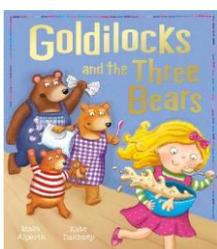

We shall ring you weekly if your child is not at school to speak to your child and answer any questions you may have.

**Please say a simple prayer each day with your child to encourage them to think about others and about everyone's safety.**
