

St Augustine's Catholic Primary School is committed to safeguarding and promoting the welfare of children and young people.

St Augustine's Catholic Primary School

Week ending Friday 23 June 2023

 "And the word became flesh and dwelt among us"
John 1:14

Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

"COURAGE"

Jesus said to his disciples, "Do not be afraid. What is now hidden will be made known. What you have heard said in whispers, I want you to tell out loud to everyone. And do not be afraid of people; they cannot harm your soul. Think more about God who has power over both body and soul. Aren't two sparrows cheap to buy - sold only for a penny? Yet not one sparrow falls to the ground without your Father knowing about it. So do not be afraid. You are worth much more than lots of sparrows. If anyone speaks up for me in front of other people, then I will speak up for that person in front of my Father in heaven."

THIS WEEK'S NEWS

50 Things to Do in Birmingham before you are 5 – free App to help with home learning and language development

'[50 Things to Do](#)' helps parents/carers develop their home learning environment so that far more children thrive by the age of five. As a result, more children develop the skills, language and resilience needed in school and beyond.

- A menu of exciting activities for families with young children, giving them great suggestions for how to have fun and learn at the same time.
- Parents and carers will be helping their children to have exciting life experiences, developing confidence and a passion for learning new things, recognising the vital role that they play in helping to realise their children's potential
- The initiative is based on the simple notion that access to life-changing, fun, low or no-cost experiences with your family, indoors and outdoors, is a great way to support young children's development.
- Download the App from App stores or via the website linked above.

If you have any questions or comments please don't hesitate to email - Familyhubs@birmingham.gov.uk

The EasyPeasy App – free resource for professionals and families

The [EasyPeasy](#) App brings together the best ideas, advice, and inspiration from a global community of parents, experts, and parenting brands for parents and their 0-5 year olds.

- EasyPeasy has partnered with the Department for Education and [Speech and Language UK](#) to give families in Birmingham the skills and tools they need to support children's speech, language and communication development as part of the Talk and Play Project
- Early years providers, local partners and families have free access to the EasyPeasy App.
- The App provides families with premium access to thousands of tips, advice, activities and inspiration from a global community of early years experts, partners and other parents and carers.

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Please click on each image below for more information.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please [contact us](#) if you would like a SKIPS Safety Net session delivered to your parent groups or staff.
