Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

"GENEROUS"

Jesus said to his friends: "The kingdom of heaven is like a landowner who hired some workers in the morning and agreed to pay them a silver coin for a full day's work. Much later in the day he hired more workers to work on his land. Then, at the end of the day, he paid each person the same amount. Those who started in the morning were unhappy that those who started later were being paid the same. But the landowner said to them, 'I paid you what we agreed; so why be jealous just because I am generous?'"
