"And the word became flesh and dwelt among us"
John 1:14

Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

"LOVE"

Some of the leaders gathered together. One of the leaders was an expert in the Law and he asked Jesus a question to try and catch him out. "Teacher," he said, "which is the greatest commandment in God's Law?" Jesus replied, "You must love the Lord your God with all your heart, and with all your soul, and with all your mind.' This is the greatest and the first commandment. But there is a second commandment like it, that is: 'You must love your neighbour as yourself.' All the teaching of the Law and the Prophets follows from these two commandments."

THIS WEEK'S NEWS

What a wonderful week we have had:

- Focus on Building the Kingdom
- Reflecting on being Grateful & Generous
- Exploring different faiths
- RWInc Workshop for Y1
- Performing Arts' Assembly
- Cultural Heritage Day

Dear Parents and Carers

Measles (MMR) Vaccine Reminder

As half term approaches, this is an ideal time to get up to date with the measles (MMR) vaccination. There has been a recent rise in measles cases across the country. Birmingham and Solihull have low MMR vaccination rates and there is a risk of a measles outbreak this winter.

Measles is a highly infectious disease, which can be very serious. The MMR vaccination is recommended to help protect you, your child and loved ones against measles. Two doses of the MMR vaccine are needed to get the best protection. The vaccination is free of charge.

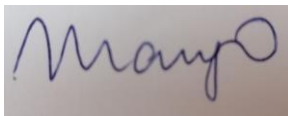

Anyone unvaccinated who is exposed to someone with measles may be advised to isolate for 3 weeks. This would disrupt their learning or work, and this could happen repeatedly. If exposure happened again, another 3 week isolation period would be required each time.

Children and adults can catch up on any missed vaccinations by contacting their GP practice. Children should have the first dose at 1 year old and the second dose at 3 years and 4 months old. Two doses of the MMR can provide life-long immunity.

Vaccination will also help prevent the spread of measles. The MMR vaccination also protects against mumps and rubella.

Please contact your GP to book an appointment for Measles (MMR) vaccination.

Yours sincerely,

Dr Mary Orhewere FFPH
