Dear Parent/Carer

In the days leading up to Christmas, we experience joy, excitement and anticipation and these help to remind us of the true and very special meaning of the Christmas season. The gift of the Christ Child at this time reminds us of the love that God has for each one of us. Let us continue to share that love as we enter a new year.

This term has been another very busy one and everyone in the school community has worked hard to ensure that the children can experience the love of Christ in action as well as learn how to show that love themselves in all that they do. Our focus on Catholic Social Teaching has helped us to understand God's message in the Gospels and all the children have shown in so many ways that they know how to be the best they can be.

I would like to thank you all for your constant co-operation and support. The governors, staff and I very much appreciate the excellent partnership we have between home and school.

May I pass on again a sincere thank you for the many gifts and cards received by the staff recently - your kindness is very much appreciated.

Please pray for those people who are less fortunate than ourselves. The difficulties faced by so many people, both here in the United Kingdom and across the whole world, challenge our understanding and our commitment to our faith. Your continued generosity in supporting our activities helps to bring light and comfort into the lives of others.

I pray that you will all enjoy a happy and peaceful Christmas and look forward to welcoming you all back on Monday 08 January 2024.

God Bless

Yours sincerely
