

St Augustine's Catholic Primary School is committed to safeguarding and promoting the welfare of children and young people.

# St Augustine's Catholic Primary School

## Week ending Friday 27 September 2024

**TO HOPE AND ACT WITH CREATION**  
SEASON OF CREATION 2024

The firstfruits of hope  
(Rom 8:19-25)

Live, Love and Learn with Jesus

### THE WEDNESDAY WORD

Special word of the week is:

**"GOODNESS"**

One day, John came to Jesus and said, "Lord, we saw a man curing the sick in your name. Because we did not know him, we told him to stop."

But Jesus said to him, "Do not stop anyone who is using my name from doing something good. By their actions, they show their love for me and they can do no harm. Any person who acts kindly for my sake will be rewarded for their goodness in heaven."

**Mark 9:38-48**

### THIS WEEK'S NEWS

Thank you for your generosity for the MacMillan Cancer Fund today.

The photographer has been booked for Monday 07 October. Children from Reception to Y6 should wear their normal schol uniform.

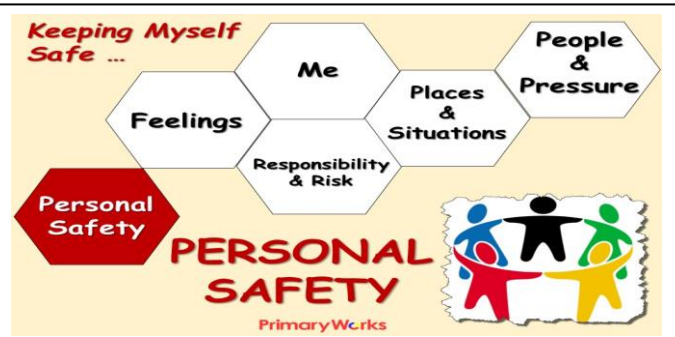

Many data checking sheets, 'flu vaccination forms and medical forms have still not been returned. These are needed **URGENTLY** so we have all the most up to date information on file.

Please send your children into school even if they have a cold. If they are really unwell, we shall contact you.

### ATTENDANCE

We are now consistently managing 94-95% attendance on a daily basis. However, to keep up this standard, we need every child in school every day unless there is a very good reason for absence. Absences must be supported by a letter/note from your doctor or dentist etc or a telephone call/e-mail related to other issues.

OVERALL THIS WEEK - 97% 😊 😊 😊

## MESSAGES FROM CLASS TEACHERS

<b>Nursery</b>	We have had great fun practising hand painting and using our new playdough. The children have wonderful imaginations.
<b>Reception</b>	Our Read Write Inc lessons are going well and we are learning so many sounds. We have a new sound every day!
<b>Year One</b>	Y1 children are designing their own windmills. They will soon be making sails to see if they will move in the wind!
<b>Year Two</b>	Using pastel and wax crayons has been very exciting in Y2. The children are making a map of the local area. Make sure you complete your homework and practise reading every day.
<b>Year Three</b>	Being welcomed into God's family has been the focus of our learning in Y3 this week. We have learned so much about the symbols of Baptism.
<b>Year Four</b>	There are many different properties of 2-D shapes and Y4 pupils have spent a lot of time learning about them.
<b>Year Five</b>	In Y5, our mathematical focus has been on prime numbers this week. Can <u>YOU</u> explain what a prime number is and name some of them?
<b>Year Six</b>	World War II poetry is very exciting and descriptive. Remember to look up Wilfred Owen online and learn more about him.
