

St Augustine's Catholic Primary School is committed to safeguarding and promoting the welfare of children and young people.

# St Augustine's Catholic Primary School

## Week ending Friday 06 June 2025

Live, Love and Learn with Jesus

### THE WEDNESDAY WORD

Special word of the week is:

**"PENTECOST"**

One day, as they were praying, the room was suddenly filled with the sound of a powerful wind. What looked like small tongues of fire appeared over each one of them. They were all filled with the Holy Spirit. The disciples rushed outside to tell everyone what had happened. People from all over the world understood what the disciples said in their own languages. They were amazed and came to believe in Jesus. The disciples then travelled around, sharing what Jesus had taught them. They were no longer afraid as his Spirit lived in them. They would never feel alone again.

**John 14: 15-16, 23-26**

### THIS WEEK'S NEWS

Our visitor from LifeBase SCARF was most impressed with all your knowledge about how to live safely and healthily.

We have also had several other visitors this week who have been delighted by all the children they have met.

There are more visitors next week and we know that the children will show them what a wonderful school we have.

Early calls and e-mails are still needed from some parents. Our office staff are having to spend valuable time contacting families when children do not appear in school. 0121 554 5069

**This week's attendance: 95%**

### THE GATE OPENS AT 08:45!

Attend Today, Achieve Tomorrow

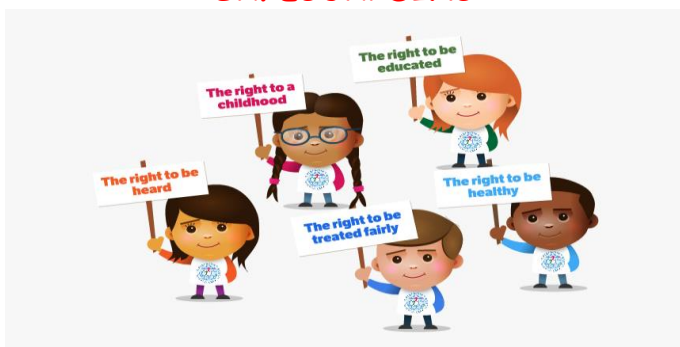

Every School Day Counts!

Please make sure you aim to be here by 08:45 or 09:00 at the latest so your children will not miss out. Children need to be settled in class so they can access important tasks every morning.

### SAFEGUARDING

## MESSAGES FROM CLASS TEACHERS

<b>Nursery</b>	Nursery children have started reading our new book 'Jack and the Beanstalk' and are going up to Reception Class for our induction so we are ready for next year.
<b>Reception</b>	In Reception class this week, we have been learning all about number 12 - how to count it and how to write it!
<b>Year One</b>	We had a great time mixing primary colours to make secondary colours this week! Practise, practise, practise your sounds ready for our reading challenge.
<b>Year Two</b>	We shared our thoughts about being faith filled and hopeful this week. In Y2, we are always hopeful when our friends play nicely with us.
<b>Year Three</b>	This week, Y3 pupils have been learning about stories from different cultures. We have read about the recycling women of Gambia.
<b>Year Four</b>	We looked at the work and patterns created by William Morris and used our rainforest sketches to make patterns. We are wonderful designers and artists.
<b>Year Five</b>	Well done for working so sensibly this week while Mrs Hyland has been poorly. You have been very helpful to all the teachers who have worked with you.
<b>Year Six</b>	Please remember to complete your payments for Min y Don and return all forms plus NHS number if you have not already done so.
