### *THE WEDNESDAY WORD*

Special word of the week is:

**"COURAGE"**

Some were speaking of the Temple and its beautiful stones and offerings, Jesus said, 'As for these things that you see, the days will come when there will none of them will be left here standing. They will all be thrown down.' The people asked him, 'Teacher, when will these things be, and what will be the sign when these things are about to take place?' And he said, 'See that you are not led astray. For many will come in my name, saying, "I am he!" and, "The time is at hand!" Do not go after them. And when you hear of wars and fights, do not be afraid. These things will happen but the end will not happen at once.' Then he said to them, 'Nation will rise against nation, and kingdom against kingdom. There will be great earthquakes, famines, plagues and diseases. There will be terrors and great signs from heaven. But before all this, they will lay their hands on you and treat you kings and governors for my name's sake. Then you can bear witness. Do not worry about how to answer I will give you courage and wisdom. Others will betray you and some of you will be put to death. You will be hated by all for my name's sake. By your patience, you will gain your lives.'

**Luke 21: 5-19**

• We still have a small number of families who are taking children out of school in term time when there is no essential reason for doing so.

• Please make sure you only book holidays/visits in holiday periods.

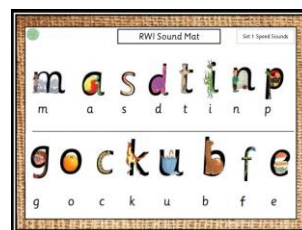

### **SAFEGUARDING AND ONLINE SAFETY**

Over 30 parents still need to respond with updated contact details on the data sheets which have been sent home. Individual parents who have not returned these details have been sent a special personalised e-mail reminding them of the urgent need for this information to be provided.

|                   |                                                                                                                                                                                               |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Nursery</b>    | Our children made some lovely cards this week and delivered them to their chosen teachers around the school. Everyone was really impressed!                                                   |
| <b>Reception</b>  | We have been exploring happy and sad and made colourful masks to show our feelings. We know how to recognise our feelings.                                                                    |
| <b>Year One</b>   | Our toy activity day for our History lesson was really exciting. Thank you to everyone for bringing in favourite toys to share with the rest of the class.                                    |
| <b>Year Two</b>   | Y2 children have been extremely busy again, creating lovely pictures and learning how to remember poems. "The Owl and the Pussy Cat" is a really funny poem!                                  |
| <b>Year Three</b> | Well done for sharing your thoughts and prayers on Remembrance Day. Your parents were so proud to listen to all you all. You showed great respect for people gave their lives to save others. |
| <b>Year Four</b>  | Children in Y4 have been very busy practising their English and Mathematics skills this week. Keep up the good work and always aim high.                                                      |
| <b>Year Five</b>  | In Y5, we have been examining different texts and searching for ways to improve our writing. The children have focused well and created some excellent work.                                  |
| <b>Year Six</b>   | Thank you, Y6, for staying focused and trying your best at all times. Our readers in assembly on Wednesday were very good - clear, careful and loud enough for everyone to hear!              |
