St Augustine's Catholic Primary School

Week ending Friday 24 April 2026

Forming Christ-centred Pilgrims of Hope, with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice.

ONE IN CHRIST, UNITED IN MISSION.

Live, Love and Learn with Jesus
THE WEDNESDAY WORD

Special word of the week is:

"FOLLOW"

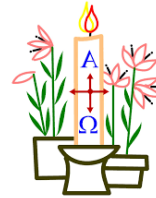

Jesus said, "I tell you most solemnly, anyone who does not enter the sheepfold through the gate but gets in some other way is a thief and a brigand. The one who enters through the gate is the shepherd of the flock. When the shepherd has brought out his flock, he goes ahead of them, and the sheep follow because they know his voice. They never follow a stranger but run away from him: they do not recognise the voice of strangers." The disciples failed to understand what Jesus meant. So Jesus spoke to them again: "I tell you most solemnly, I am the gate of the sheepfold. All others who have come are thieves and brigands; but the sheep took no notice of them. I am the gate. Anyone who enters through me will be safe: they will go freely in and out and be sure of finding pasture. The thief comes only to steal and kill and destroy. But I have come so that they may have life and have it to the full."

John 10: 1-10

MESSAGES FROM CLASS TEACHERS

Nursery	Nursery children went on an 'alleluia" parade with banners and instruments celebrating "Jesus is alive!" They shared the message with everyone.
Reception	In Reception Class, we have been reading 'The Elves and the Shoemaker'. We have our own role play shoe shop and we have had our feet measured. We are trying on new shoes.
Year One	Y1 thoroughly enjoyed learning about and making their own Easter/Paschal candles this week! They learnt all about the special symbols like the Alpha and Omega.
Year Two	We had fun exploring clay and created some lovely pencil pots in Art and Design this week. The clay felt very squishy and wet!
Year Three	Y3 are learning all about all the different things plants need to grow. We are carrying out an experiment to see which conditions are the best.
Year Four	We have been working on solving money problems and converting between measures this week. There are lots of special numbers to remember.
Year Five	Y5 have been working hard in Mathematics converting mixed numbers to improper fractions and vice versa. Our multiplication tables have helped us with this work.
Year Six	Keep up the great work Y6! You are speeding up so much when solving completing problem-solving and reasoning questions. Well done!
