

St Augustine's Catholic Primary School is committed to safeguarding and promoting the welfare of children and young people.

# St Augustine's Catholic Primary School

Week ending Friday 08 May 2026

Forming Christ-centred Pilgrims of Hope, with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice.

ONE IN CHRIST, UNITED IN MISSION.

Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

**"COMMANDMENTS"**

At that time: Jesus said to his disciples, 'If you love me, you will keep my commandments. And I will ask the Father, and he will give you another Helper, to be with you for ever, even the Spirit of truth, whom the world cannot receive, because it neither sees him nor knows him. You know him, for he dwells with you and will be in you. 'I will not leave you as orphans; I will come to you. Yet a little while and the world will see me no more, but you will see me. Because I live, you also will live. In that day you will know that I am in my Father, and you in me, and I in you. Whoever has my commandments and keeps them, he it is who loves me. And he who loves me will be loved by my Father, and I will love him and manifest myself to him.'

John 14: 15-21

## THIS WEEK'S NEWS

SPECIAL PRAYERS TO SAY IN THE MONTH OF MAY:

- ✦ Hail, Mary
- ✦ The Rosary
- ✦ The Magnificat

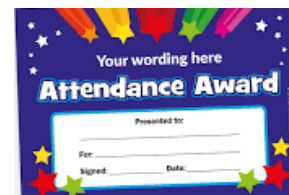

We pray for our Y6 children as they complete their special assessments next week.

Good learning relies on regular attendance.

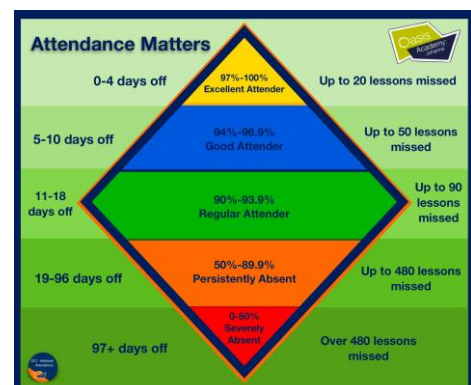

Thank you for your support.

This week's attendance: 95%

Good timekeeping is essential. Make sure you arrive by 09:00 at the latest.

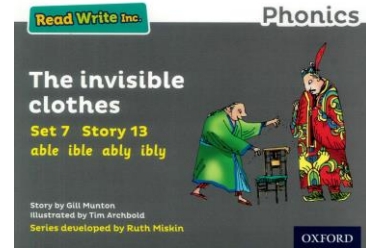

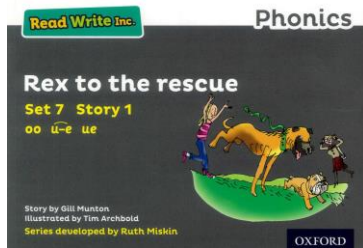

Keep up the great work!

## MESSAGES FROM CLASS TEACHERS

<b>Nursery</b>	We listened to the story, 'The Bad Tempered Ladybird', then we went on a ladybird number hunt and made ladybird sun-catchers.
<b>Reception</b>	What a busy week we have had, even though it was only 3 days! Everyone is making great progress in all their work. Thank you for practising reading every night.
<b>Year One</b>	Y1 loved learning all about London landmarks in Geography this week, especially The London Eye and Big Ben! Some of us have seen these landmarks in real life!
<b>Year Two</b>	Y2 have really enjoyed reading 'The Incredible Book Eating Boy' by Oliver Jeffers. The children have produced some lovely work based on the book.
<b>Year Three</b>	This week Y3 have been learning all about different types of sewing stitches. We practised our cross stitch and applique.
<b>Year Four</b>	Y4 have thought about how the people who met The Risen Jesus were changed by this event. Many people who have met Jesus have made great changes in their lives.
<b>Year Five</b>	We have been learning about volume in Mathematics. Volume is the amount of space taken up by a solid object. For cubes and cuboids, multiply length by breadth by height to find the cubic measure.
<b>Year Six</b>	You have had a short but busy week, Y6. Remember to have an early night and sleep well on Sunday ready for the start of our special tests on Monday. We look forward to seeing you at 8:30am (08:30) for Breakfast Club.
