

St Augustine's Catholic Primary School is committed to safeguarding and promoting the welfare of children and young people.

St Augustine's Catholic Primary School

Week ending Friday 22 May 2026

Forming Christ-centred Pilgrims of Hope, with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice.

ONE IN CHRIST, UNITED IN MISSION.

Live, Love and Learn with Jesus

THE WEDNESDAY WORD

Special word of the week is:

"PENTECOST"

On the evening of that day, the first day of the week, the doors being locked where the disciples were for fear of the Jews, Jesus came and stood among them and said to them, 'Peace be with you.' When he had said this, he showed them his hands and his side. Then the disciples were glad when they saw the Lord. Jesus said to them again, 'Peace be with you. As the Father has sent me, even so I am sending you.' And when he had said this, he breathed on them and said to them, 'Receive the Holy Spirit. If you forgive the sins of any, they are forgiven them; if you withhold forgiveness from any, it is withheld.'

John 20: 19-23

THIS WEEK'S NEWS

Thank you for all your support throughout what has been yet another very busy half term.

Attendance has shown a continued great improvement but we must ask you **not** to book holidays in term time. These absences clearly have a negative effect on children's progress

SPECIAL REMINDER

Half term closure is for two weeks. We re-open on Monday 08 June.

Our holiday weeks include the following:

- Pentecost Sunday
- The Feast of St Augustine
- Trinity Sunday

Keep aiming for 100% after the holiday.

This week's attendance: **95%**

Be on time by 10 to 9 - ready in class by 09:00.

A nasty virus has affected a lot of people this week.

School Matters!

Attend Today, Achieve Tomorrow

Keep up the great work!

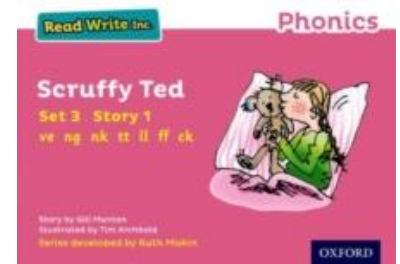

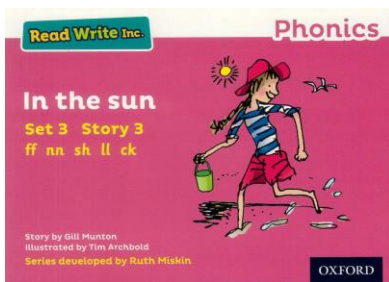

Let us know if you need any help or have any worries.

Call at the office and ask for an appointment.

MESSAGES FROM CLASS TEACHERS

Nursery	We have explored the Pentecost story this week. We have also been focusing on the wind, using windmills outside, blowing feathers with straws and painting swirly wind patterns.
Reception	This week, we have been exploring height. We have been measuring things in and around our classroom. We have found out how high or low things may be, depending on their height.
Year One	Y1 have worked so hard this week. Remember to practise your sounds and reading every day during the 2 week break ready for your special challenge.
Year Two	Y2 have been learning how to use pictograms in Mathematics. The children have worked really hard and tried their best every day.
Year Three	Y3 learnt about the Sacrament of Confirmation last week. This week we have been reflecting on good and bad choices as we prepare for our First Holy Communion.
Year Four	In Y4, we have been thinking about the poor and the vulnerable during our Building the Kingdom focus this week. We all have a duty to think of the needs of others and help people when we can.
Year Five	We have covered lots of revision of Mathematics topics we have covered! Y5 have been focusing on revision and creating posters for our BTK assembly.
Year Six	You have concentrated well on our special Health Education work this week. Have a good rest over the half term and be ready for more exciting work when we return.
